## Delaware River Watershed Fellowship | Summer 2025

with Berks Nature

### Apply to become Berks Nature's 2025 Fellow!

The Delaware River Watershed Fellowship is a paid, 12-week internship from June through August at one of 23 environmental education centers in the Delaware River Watershed. Fellowships are aimed at inspiring and equipping young adults to become ambassadors for the Delaware River and its entire community.

**\*\*No environmental experience required\*\***

Preference will be given to candidates living in the greater Reading area of Berks County. Applicants must be at least 18 by June 2, 2025 to be eligible.

Send your resume to [HR@berksnature.org](mailto:HR@berksnature.org) to apply! For a full job description, contact Michael Griffith at [michael.griffith@berksnature.org](mailto:michael.griffith@berksnature.org).

### Fellowship Perks!

- Help the City of Reading connect with nature!
- Grow professional network and work experience
- Explore a career in environmental education and conservation

ture, essential to our quality of life...
